

Llantarnam Community Primary School

Attendance Policy/ Polisi Presenoldeb

Llantarnam Community Primary School is committed to working collaboratively with our cluster of schools.

In doing so the overarching aims and procedures of this policy have been agreed and aligned with the schools within our cluster, with some additions and school specific procedures suitable for our schools' requirements.

1. Mission statement

The Croesyceiliog cluster is committed to providing a full and efficient education to all students and embraces the concept of equal opportunities for all.

We will provide an environment where all students feel valued and welcomed and are committed to the fundamental principle that early intervention and partnership working is crucial in ensuring the attendance, protection and well-being of all children and young people.

The Croesyceiliog cluster will follow the All Wales Child Protection procedures and local protocols in relation to specific and identifiable welfare issues that prevent a child or young student from accessing education, or where there are safeguarding concerns.

For a student to reach their full educational achievement a high level of school attendance is essential. We will consistently work towards a goal of 100% attendance for all students. Every opportunity will be used to convey to students and their parents or carers the importance of regular and punctual attendance.

School attendance is subject to education law and guidance and this school attendance policy is written to reflect this legislation and the guidance produced by the Welsh Government (WG).

The legislation makes provision for a school day which is to be divided into two sessions with a lunch break in the middle and to be available for at least 190 days in any school year.

The school will review its systems for improving attendance on an annual basis to ensure that it is achieving its set goals and targets as identified by the Governors, Local Authority (LA), South East Wales Consortium (SEWC) and the WG.

This policy will contain the procedures that the school will use to work towards meeting its attendance targets.

2. Promoting attendance

The foundation for good attendance is a strong partnership between the school, parents/carers and students.

We will ensure that our students are made aware of the importance of good attendance and how this will benefit them; we will use a variety of strategies to intervene at an early stage to encourage improved attendance of individual learners.

3. School procedures

Any student who is absent from school at the morning or afternoon registration period will have their absence recorded as being authorised, unauthorised, an approved educational activity (attendance out of school) or dual registered. Only the Head Teacher or a member of staff acting on their behalf can authorise an absence.

If there is no known reason for the absence at registration, then the absence will be recorded in the first instance as unexplained (code N) and promptly followed up by the school, as part of its early intervention and safeguarding strategies.

The coding for any absences will be in accordance with the guidance provided by the WG.

3.1 School Procedures - Daily

- All registers are taken electronically via SIMS.
- Registers will be taken twice daily. Mornings by 9am and afternoons phases 1& 2 13:15, phase 3 13:30, Phase 4 13:45.
- Morning Registration starts at 9am. Pupils who arrive between 9am and 9:30am are issued a L mark. Registration closes at 9:30. After this pupils are issued a U mark.
- During the afternoons registration closes half an hour after it opens. Within that half an hour pupils who arrive are issued an L mark and a U once the register closes.
- Staff members taking the register are directed to limit their code usage to a choice

of three:

/ = present, N = absent, L = late.

- In order to ensure consistency and accuracy, all other codes/code changes are issued by the School Attendance Officer, SSSO KB only. The Senior Attendance Lead (SAL) will make regular checks where appropriate to ensure quality control. Strict adherence to LA code usage guidelines is followed at all times.
- Codes other than / or N are marked with a red flag and additional comments are added to justify the use of the code in question.
- Any missing marks (-) default to an N code until further enquiries are made.
- Students who are over 30 minutes late are issued a U code and consequently lose their mark for the session. Where students are under 30 minutes late an L code is issued which counts as present.
- After the AM registration is closed, the SAO initiates the 'first day response system'. This involves notifying parents/carers that their child is absent from school that day and trying to establish reasons for the absence.
- Registers are also scrutinised meticulously to check for internal truancy.

3.3 Absence reporting

Reasons for absence are recorded on SIMS

3.4 Punctuality/Lateness

Punctuality is a legal requirement and students must attend on time. Persistent lateness has a detrimental effect on a child's learning and also disrupts other students within the class and throughout the school. Those parents of students who are persistently late will be contacted by the school.

The AM/PM registers will remain open for a maximum of 30 minutes, in accordance with WG guidance. Any student arriving after this time will be marked as having an unauthorised absence (code U) unless there is an acceptable explanation i.e. school transport was delayed. In cases for example, where the absence at registration was for attending an early morning medical appointment, the appropriate authorised absence code will be entered.

Students arriving after the start of school but before the end of the registration period will be coded as late (L).

All students who are late must sign the 'late book' in school and must enter through the main reception of the school.

Parents and carers are reminded that the LA may issue an FPN for persistent lateness after the close of the register in accordance with the Local Code of Conduct, if in excess of 10 sessions.

A student that is persistently late will be supported via the stepped approach following the Torfaen LA Punctuality Improvement Pathway (Appendix 2).

3.5 First day absence

School will endeavour to ascertain the specific reason for non-attendance as soon as possible on the first day of absence, after both morning and afternoon registration. This

may include a telephone call or texting service. Once the specific information is received, the register will be amended to reflect the appropriate absence code (Appendix 1).

Priority will be given to children who are deemed to be particularly vulnerable, e.g. those known to child protection/safeguarding services or are looked after (LAC). SAO has a vulnerable student attendance watch list.

The locality children services team will be notified of unexplained absences on the first day absence of a student on the child protection register.

3.6 Third day absence

On the third day of absence and if school has not received an adequate explanation from any of the contacts for the students on SIMS, the SAO contacts the school EWO and the EWO will make a welfare phone call or visit the home address if no phone contact can be made (see Appendix 3 for 'EWO Home Visit/Welfare Check Flow Chart'. The absences will remain unauthorised, until an adequate explanation is received.

3.7 Continuing and frequent absence

Within the school it is the responsibility of the teachers, and staff linked to attendance such as Leaders of Wellbeing, School Attendance leaders and the SAO to be aware of and bring attention to the Head Teacher (or person to whom they have delegated responsibility for attendance), any emerging attendance concerns.

In cases where a student begins to develop a pattern of absences, the school will try to resolve the problem as soon as possible, before a referral is made to the Education Welfare Service (EWS). This will involve inviting the parents or carers and the student into school for a meeting.

For unauthorised absences of 10 sessions or more in an academic year (there are two sessions in a day, morning and afternoon) and following a period of monitoring, the school can request that the LA issue an FPN in accordance with the Local Code of Conduct.

3.8 Persistent absence

Welsh Government defines persistent absence as students whose absence level is more than 20% (80% attendance). These students will be subject to an action plan to support their return to full attendance.

The action plan will include engagement with relevant agencies that can support the student's attendance and could include the schools Education Welfare Officer (EWO).

3.9 Absence related to discrimination

A student's absence from school may be due to bullying, which can take many forms and can be direct (either physical or verbal) or indirect, for example, ignoring a student or not talking to them. Some of this bullying may be discriminatory.

It is against the law for a school, governing body or the LA not to take action where this type of bullying takes place between students.

As a school, we are required to monitor and report on discriminatory incidents each term and if the reason for a student's absence is related to any of the above issues, must take action to deal with the situation.

4. Categorisation of absence

All students who are on role but not present in the school must be recorded within one of these categories.

- Authorised Absence
- Unauthorised Absence
- Approved Educational Activity
- Dual Registration

4.1 Unauthorised absence

This is for those students where no reason has been provided, or whose absence is deemed to be without valid reason.

4.2 Authorised absence

This is for those students who are away from school for a reason that is deemed to be valid; only the Head Teacher can authorise an absence.

4.3 Leave of absence/holidays in term time

Leave of absence during term time will be discouraged. Parents and carers do not have the automatic right to withdraw their children from school for an annual holiday and will be reminded of the effect that absence can have on a student's potential achievement.

Approval of absence for family holidays will only be authorised in exceptional circumstances and at the discretion of the head teacher.

The Head Teacher may only agree to an extended leave of absence in exceptional circumstances. Examples of exceptional circumstances include:

- Parent working abroad for a fixed, medium term period;
- Family are returning to country of origin;
- Parent returning from active tour of duty.

Unauthorised holiday absences may be subject to a Fixed Penalty Notice issued by the local

authority.

4.4 Approved educational activity

This covers types of supervised educational activity undertaken off the school site but with the approval of the school and or the LA.

This would include:

- Work experience placements
- Field trips and educational visits
- Sporting activities supervised by the school
- Link courses or approved education at another venue
- Education arranged by the Child and Adolescent Mental Health Service (CAMHS)

4.5 Students on the Child Protection Register

Students whose names appear on the Child Protection Register have their attendance monitored daily. Children's Services are informed if a student on the register is away from school for one day unless a suitable reason has been provided.

4.6 Education Other Than At School (EOTAS)

The provision where the student is expected to attend is responsible for accurately recording the student's attendance and chasing up non-attendance.

Arrangements are in place to identify students who are absent from providers of EOTAS, in order that the school where the student is registered can reflect any absences and apply the appropriate code.

4.7 Register checks

The LA will formally check the registers on a regular basis to ensure there is compliance with legislation. It should be noted that registers are legal documents and it is an offence not to maintain accurate records.

5. Attendance Monitoring

School attendance is analysed during Record of Consultation (ROC) meetings between the EWO and school staff. Individual school's will set an attendance threshold for students and those students falling below this threshold will be discussed in the ROC meetings.

Llantarnam Community primary follow a bespoke version the 'Strive: Improving Attendance Pathways' (see Appendix) in which a staggered approach is utilised to support pupils whose attendance is below the agreed threshold.

Categories Green 95% +

Amber 90%-95%

Red below 90%

Actions for addressing attendance within RED

1. Letter 1 gentle notification attendance is within RED
2. Check in call KB senior school support officer – to discuss any potential issues
3. Meeting with phase lead / family engagement officer
4. Meeting with head teacher
5. EWO engagement.
6. Head teacher – notice of possibility of FPN (fixed penalty notice)
7. Governors safeguarding – consultation on issuing of FPN

5.1 EWO referrals

Students whose attendance falls below the individual school's threshold can be referred to the EWO who will take appropriate action which may involve legal action. The school would continue to interface with the EWO via the SAO/attendance leads under these circumstances.

School attendance staff working the EWO have autonomy not to implement, or to delay, the above proceedings on a discretionary basis under exceptional circumstances, eg; family tragedy. This may involve consultation with the SAL.

Whatever the situation, close liaisons between the SAL, SAO, attendance leads, EWO, parents/carers and students is essential.

5.2 Attendance Panels

Attendance panels are seen as good practice in schools and involve school governors, member of senior staff, attendance leads, EWO, school nurse parent and on occasions include the student. Whilst the panel's aim is to address the attendance of students, it is not always in the best interest of the student to be out of class.

Parents are invited into school to discuss their child's attendance, with a view for an action plan to be completed and signed which will regularly be reviewed. Letters of invitation will be sent to parents.

in advance and parents are asked to notify school as to whether they will be attending or not. If they are not available to attend then another letter will be sent.

5.2 Fixed Penalty Notices (FPNs)

In some circumstances following the Education (Penalty Notices) (Wales) Regulations 2013 and Welsh Assembly Government guidelines, it may be appropriate that Educational Welfare Service in consultation with

the school Governors Safeguarding committee issue parents/carers with a Fixed Penalty

Notice (FPN). Circumstances when they could be used as follows:

- When a child has a minimum of ten unauthorised sessions recorded during the academic year (these do not need to be consecutive and please note that a school day is divided into two sessions, am and pm);
- In response to persistent late arrival at school i.e. after the registration period. Again, this will be when there are at least ten recorded late marks in the current term;
- For unauthorised holiday absence. Parents are advised that taking a family holiday during term time may result in an FPN payment;
- If a parent /carer does not attempt to engage with the school or Local Authority regarding their child's absence;
- If a student regularly comes to the attention of the police during school hours without an acceptable reason, the police authority may request the Local Authority issue an FPN.

Before a Fixed Penalty Notice is issued, parents will receive a written warning outlining the extent of their child's absence and the possibility of them receiving a Penalty Notice if attendance isn't improved. FPNs for unauthorised holidays will not require a written warning.

In addition to Fixed Penalty Notice when the school feels that, despite its best efforts to support the family, attendance is not improving, a referral will be made to the Education Welfare Service or to Social Services. A referral might be made when, for example:

- A pattern of irregular attendance has developed;
- Parents/carers have failed to engage in attempts to improve attendance
- A period of entrenched non-attendance has become established;
- There is a lack of parental cooperation in ensuring a child's regular attendance

Head Teacher and Governing body Safeguarding Committee will liaise with the Education Welfare Service to provide the evidence required to prosecute parents who fail, without reasonable justification, to cause their child to attend school regularly, under sections 444(1) and 444(1A) of the Education Act 1996.

6. Attendance awards

Llantarnam community Primary School will use an awards system to reward students who have good or improving attendance:

- Weekly celebrations of class attendance through goals for attendance above the school target and best class of the week rewards
- Good and Excellence Attendance badges
- Improved attendance awards

- 100% for the year
- Termly 100% attendance

7. Raising the Profile of Attendance

Maintaining a high profile with regards to attendance is vital. Of particular importance is reinforcing the link between attendance and achievement. Strategies employed to safeguard this include:

- Attendance as a fixed agenda item in school leadership meetings, cluster meetings and individual school Governors’ meetings.
- Expectations and standards part of weekly newsletters, prospectus and promoted with pupils weekly in assemblies.
- Awareness of attendance is raised with parents at every available opportunity, eg; parents’ evenings, annual report, banners outside the school.
- Attendance is a frequent feature in assemblies and registration activities.
- A strong emphasis is placed on attendance during the school evaluation and school development planning process.
- Attendance is incorporated into transition planning and the early identification of students in need of extra support.

8. Attendance targets

A system for analysing performance towards the targets will be established and the Head Teacher or senior school leader will be responsible for overseeing this work. The school and Governing body will make use of the attendance data available from the EAS and the LA when setting its targets.

| 3-year targets – set autumn 2023 | Academic Year 2023-24 | Academic Year 2024-25 | Academic Year 2025-26 |
|----------------------------------|-----------------------|-----------------------|-----------------------|
| Attendance (%) | 92.5% | 92.7% | 93% |
| Authorised Absence (%) | 5.5% | 5.4% | 5.3% |
| Unauthorised Absence (%) | 2% | 1.9% | 1.7% |

9. Roles and responsibilities with regards to attendance

Attendance is everybody’s concern and the school will expect all stakeholders to play a part in improving attendance. This will contain all having clear expectations and roles which include:

STRIVE FOR 95+

Dear Parent/Carer of (pupil name)

As part of our commitment to pupil achievement and pupil welfare, we monitor attendance on a regular basis.

Research shows that there is a direct link between good attendance and academic achievement. Additionally, missing school means that pupils might miss out on social interactions with friends, school trips and physical education – all of which helps children to grow in confidence and ability.

Obviously, during the Covid crisis education was disrupted in an unprecedented way, but now that pupils are able to attend school unhindered by lockdowns or isolation periods, we want every pupil to get as much from the education that we can offer – and the best way to help achieve that is for pupils to attend school regularly.

As of «date_of_printing», your child's attendance is **«percentage_attendance»%** and therefore falls considerably below the school's target of 95%.

We know that there are times when absence from school cannot be avoided, however we have a duty of care to inform you of your child's attendance, particularly if we are concerned that the level of attendance might impact learning.

Please try to ensure that «chosen_forename» attends school regularly, and only keep «him/her» off if you feel it is really necessary.

If you are unsure whether your child is well enough to come to school, or you need advice on attendance related matters don't hesitate to contact the school office. Please bear in mind that most medications can be administered by school staff if needed.

If (pupil name)'s attendance doesn't improve we might ask you to meet with one of our Attendance Leads, or make a referral to the Education Welfare Service.

As with all other aspects of school life we try to work in partnership with families to attain the best possible outcome for our pupils, therefore if you wish to discuss the contents of this letter or have any queries related to your child's attendance don't hesitate to contact us.

Kind regards
Mrs K. Bailey

We recently contacted you with concerns regarding (pupil name)'s attendance.

As of «date_of_printing», your child's attendance is **«percentage_attendance»%** and is still at a level to cause concern.

If (pupil name)'s attendance does not improve over the next two weeks, we will invite you into school to meet with the head teacher to discuss ways that we can work together to

If (pupil name)'s attendance still doesn't improve, we will make a referral to Torfaen's Education Welfare Service, where a dedicated Education Welfare Officer (EWO) will contact you to discuss concerns around your child's attendance.

If you have any queries about the contents of this letter, or if you would like to talk to an Attendance Lead don't hesitate to get in contact.

Appendix 3: EWO Home Visit/Welfare Check Flow Chart

EWO Home Visit/ Welfare Check Flow Chart

School requests a welfare check for a pupil after **using all contact details** on Sims including using email and text messaging services and speaking to any agencies involved with the pupil. Where possible this needs to be **by 11am** to give the EWO time to liaise with other services.

NB – It is best practice schools to check and update contact details termly

Is it a **3 day no contact** welfare check for a pupil where school cannot establish contact? (Or a **1 day** no contact if a pupil is CP or there are safeguarding concerns?)

Yes

No

The EWO will use all known contact details and in the event of failing to establish contact a home visit will be carried out.

School needs to arrange for school staff to conduct the welfare check/ home visit & put a plan in place for monitoring pupil wellbeing every 10 days.

Appendix Strive –

4a:

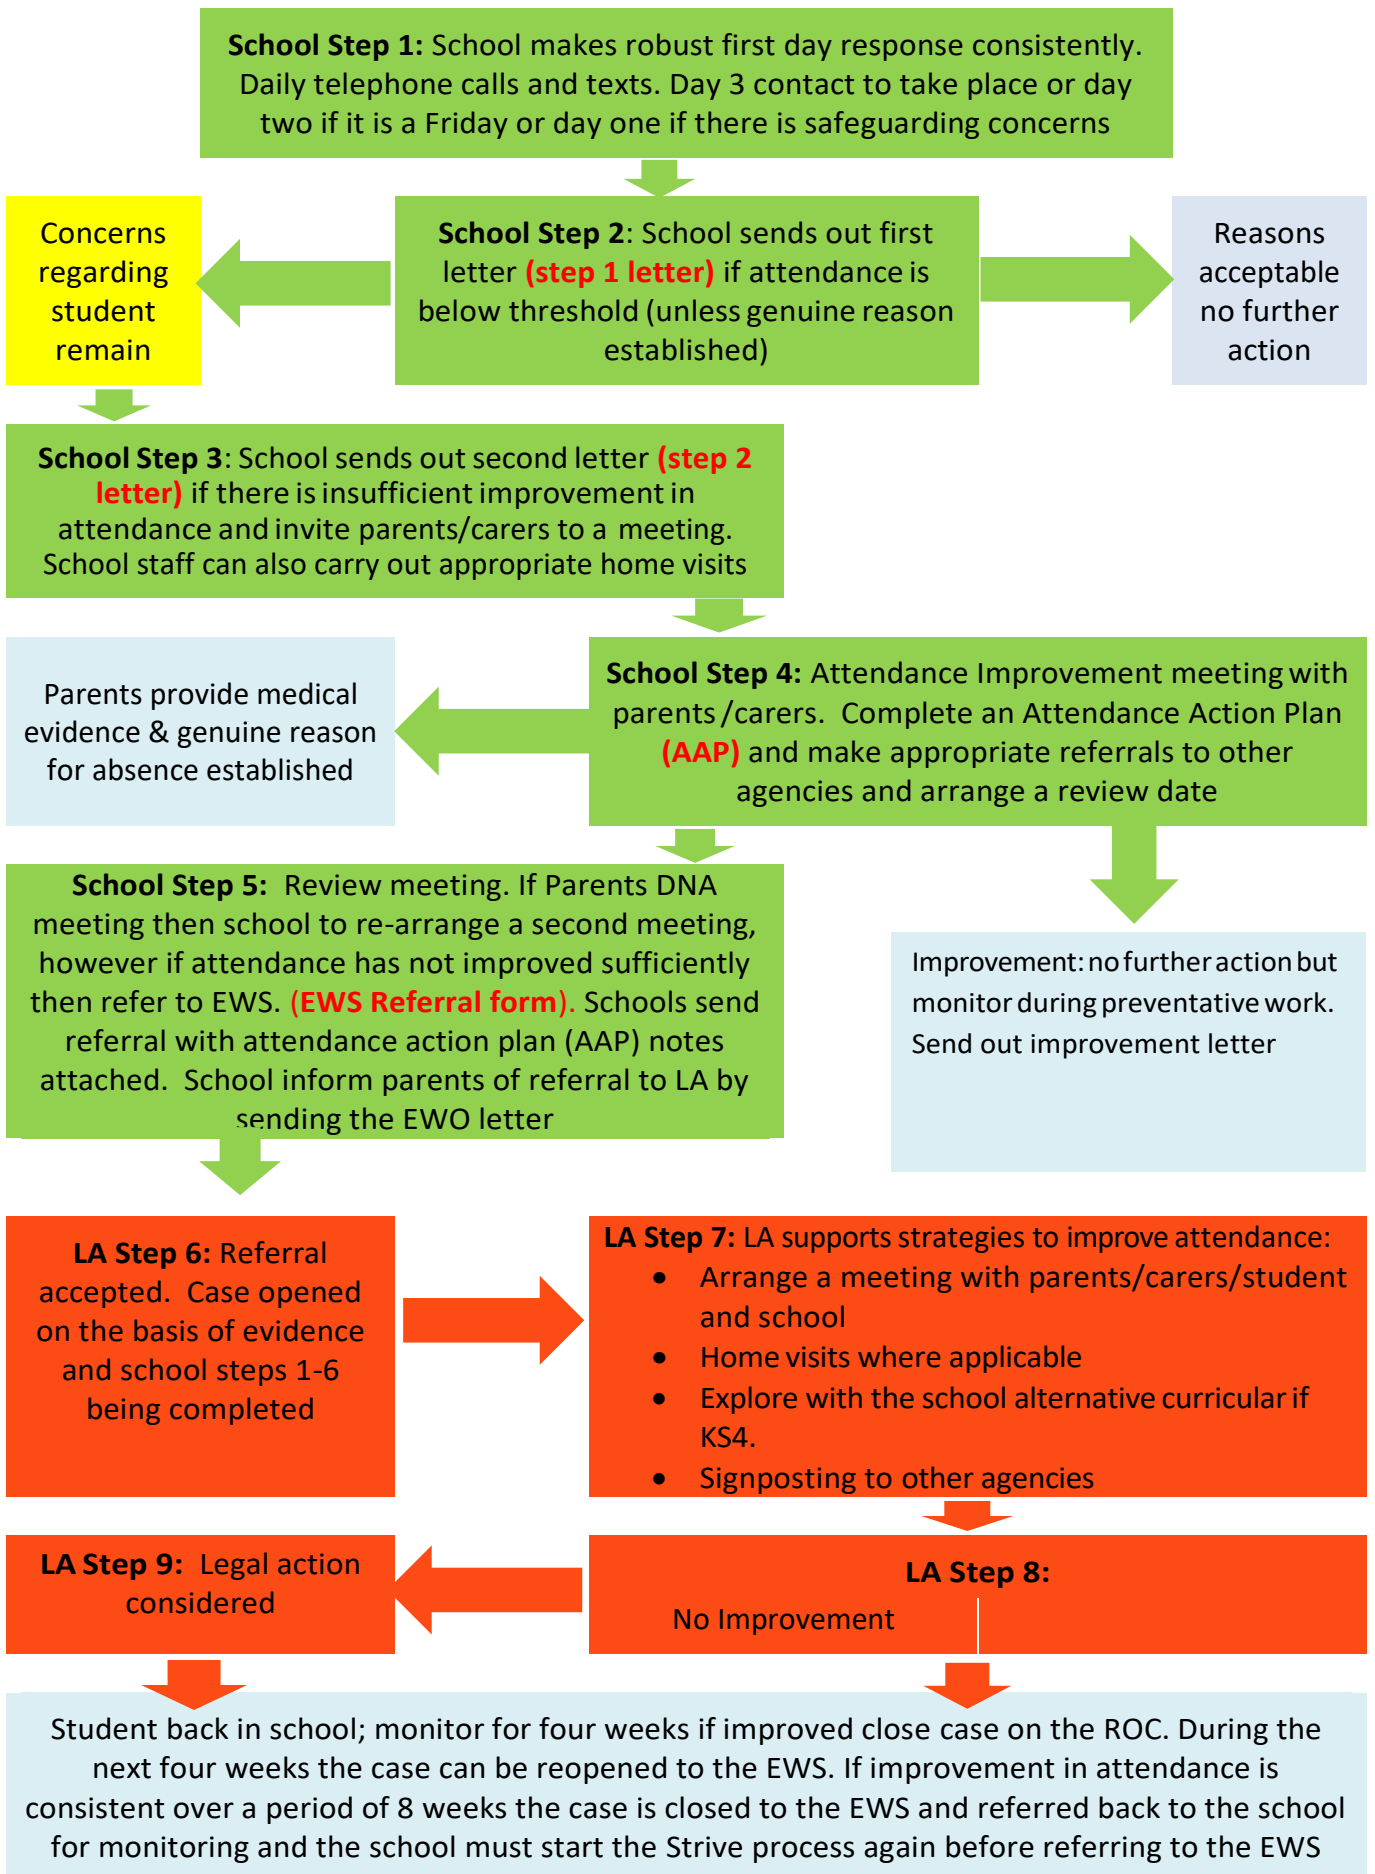

Long-term absence:

In the case of long-term absence, school have a duty of care to ensure the child is seen every 10 days and to develop a plan to ensure that this is taking place. Visits by outside agencies can be considered a part of this monitoring process and this must be tracked by school.

If a child is absent from school for 10 days or more due to illness, school should ask for medical evidence or be provided with permission from the parent or guardian to contact the child's GP. These absences can be consecutive or accumulative.

I have reviewed your child's attendance record and am concerned to note that he/she has incurred at least 10 sessions (5 school days) of unauthorised absence so far this current academic year.

I enclose a copy of your child's attendance record and remind you that as a parent/carer of a child who is a registered student at this school, you have the legal responsibility for ensuring your child attends regularly.

All schools share the Welsh Government's determination to raise levels of student attendance and achievement in order to ensure the best possible start in life for our children.

Under the Antisocial Behaviour Act 2003, the Local Authority has the power to issue parents/carers with a Fixed Penalty Notice for each of their children, who fail to attend school regularly.

A Fixed Penalty Notice is an early deterrent intended to prevent more extended periods of unauthorised absence developing and incur a fine of £120, reduced to £60 if paid within 28 days of the notice being served. Failure to pay a penalty notice will result in prosecution under the Education Act 1996.

I can therefore advise you that the school will be closely monitoring your child's attendance from the date of this letter and should any further unauthorised absence occur, consideration will be given to the issue of a Fixed Penalty Notice.

Support and guidance regarding attendance is available from school or the Local Authority, however, should you have any specific queries in relation to this letter, please contact me on the above telephone number.

Yours sincerely
Head Teacher
